Dear Parents and Carers,

It has been so good to see more children returning to school before the term is out. This week it was the turn of Year 4 (and Year 6) and it was a joy to see them all eager to spend some time in school. On Wednesday we welcomed the second group of Year 2s from St Rose's for a visit too.

The next two weeks have been planned to ensure all children have a chance to meet their new teacher and to experience transition to their new classroom. Please take a close look at the timetables below as it is complicated in order to give every child time. It is vital that you stick to the Bubble allocation already given as we can only have a maximum of 15 in each bubble. Please also note the drop off and pick up times.

We have decided to alter the final week for Year 6 and Key Worker children. **Please could all parents take note of the timetable for the next two weeks below.** Given the new guidance from the Government and the need to prepare both the building and adapt the curriculum, we have decided that the last day of term for pupils will now be **Wednesday, July 15<sup>th</sup>**. We have also decided to open to all pupils in September on **Friday, September 4<sup>th</sup>**. **This is a change to term dates.**

### PA's Logo competition

The PA has accessed their collection point in entrance hall and found some lovely logo designs from children. This Logo (left) was designed by Year 3 pupil Georgie Garnham and was judged the winning entry. Also highly commended was this logo (right) by Freya Rajendram, also in Year 3. Well done to all who took part.

### House Points and Fitter Future

St Martin have led the way in House points for the second week running and have pulled a little way ahead of St Catherine's this week. There is still time to challenge this. As an incentive, all St Rose's House points will count double this coming week.

**This week:** St Martin 115, St Catherine 103, St Dominic 102, St Rose 84

**Overall Standing:** St Martin 979, St Catherine 951, St Dominic 925, St Rose 841

**Most active Fitter Future users:** Freya Rajendram 11, Rory Moloney 9, Fraser Cullen 4.

Piotr Czarniawski is on 49 during lockdown. Come on Piotr; one more needed to be only the second person in the 50 club.

Wishing you all a peaceful, safe weekend

Best wishes
