Dear Parents

Welcome to this week's Wednesday Email.

SCHOOL INFORMATION

- **MESSAGE TO KEY WORKER PARENTS:** A reminder to our Key Worker parents who have children attending school that if there is a change in the days you require your child/children attending school due to shift patterns or your days of work commitments, please ensure you email the office by THURSDAY each week giving the changes for the following week - admin@cuthbertmayne.herts.sch.uk

- **COMMUNICATION FROM HERTFORDSHIRE COUNTY COUNCIL:** Please see attached a letter from the Director of Public Health and Operations Director of Education at Hertfordshire County Council for all parents.

- **TYPE 1 DIABETES INFORMATION:** The NHS has asked for this message to be sent out to you.

Undiagnosed Type 1 diabetes in children requires urgent medical attention.

If your child has **ANY** of the main symptoms of Type 1 diabetes please make an **urgent** GP appointment or contact the Out of Hours service. The main symptoms are known as the 4 Ts – Thirst, Toilet, Tiredness, Thinner. If you notice your child is thirsty or using the toilet more frequently, is always feeling tired, or has lost weight recently, seek immediate medical advice.

NHS services are very well equipped to look after children safely if they are unwell. Please do not delay seeking medical advice because of Covid-19.
