Please Note:

Occasionally we collect and process data as a requirement for a public task (article 6,e), which could include collecting evidence of our duty to educate children, in the form a learning platform, or the capture of images/video/sound at school events such as sports day and concerts/productions.

**There may be times where, to perform our duty to educate your child, we may need to use online communication tools (sound and/or video of your child) to under the lawful basis of performing a public task (6,e), even if you have not given specific consent above. Under Article 6 and Article 9 of GDPR, where the above lawful basis does not allow us to collect essential personal information, we will use consent (6,a).*

Photographs may be used in publicity material for the school, including printed and electronic publications, video and webcam recordings and on websites. They may also be used by the news media in printed and/or electronic form and stored in their archives. This might include images sent to the media by the school and images/footage the media may take themselves if invited to the school to cover an event, in which case further details would be provided to you.

We would only upload/use media of your child during their time at the school but would not necessarily remove these when they leave the school.

We would ensure GDPR compliance of any company chosen by the school to process your personal data. You may receive content on an associated private account regarding your child's work and/or progress.

If you wish to withdraw your consent at any time, please let us know.
