To help prepare your children for the statutory multiplication check (MTC) in June 2023 we are organising a meeting for parents and guardians to learn more about this test and to give you some strategies to help your children learn and become fluent in the times tables.

This meeting is open to all Year 3 and 4 parents and guardians. This is a Year 4 test but we wanted to give Year 3 parents and guardians an opportunity to understand what assessments are coming up in the next year group.

There is no need to pre book, please turn up on the day if you can attend.
