

Determined Admission Arrangements for 2025/26

St Cuthbert Mayne Catholic Junior School

ADMISSION POLICY 2025-26

St Cuthbert Mayne Catholic Junior School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. If there are fewer applicants than places available, the school will allocate places to all who have applied. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round¹. The admission authority has set its admission number at 60 pupils to be admitted to Year 3 in the school year which begins in September 2025.

The admission authority will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

¹ This is for admission to the school at the start of the school year in September and not for applications made in-year.

Pupils with an Education, Health and Care Plan (see note 1)

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Section 324 of the Education Act 1996 requires the admission authorities of all maintained schools to admit a child with an Education, Health and Care Plan (EHCP) that names the school. These children will be admitted within the school's PAN but before any child prioritised under the school's oversubscription criteria. Allocation of places under these arrangements will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and children who were previously looked after, including those who appear (to the admission authority) to have been in state care outside of England, and ceased to be in state care as a result of being adopted or became subject to a child arrangements order, or a special guardianship order. (See notes 2 & 3)
2. Catholic children who are resident in the parish of Hemel East (formerly the parishes of Our Lady Queen of All Creation and The Church of the Resurrection) and the parish of Hemel West (formerly the parishes of St Mary & St Joseph and St Mark's) and the parish of Our Lady Mother of the Saviour (Chipperfield). (See notes 3 & 12)
3. Other Catholic children. (See note 3)
4. Other looked after children and previously looked after children, including those who appear (to the admission authority) to have been in state care outside of England, and ceased to be in state care as a result of being adopted or became subject to a child arrangements order, or a special guardianship order. (See note 2)
5. Catechumens and members of an Eastern Christian Church. (See notes 4 & 5)
6. Children of other Christian denominations whose membership is evidenced by a certificate of baptism or by a letter confirming membership of the faith from a minister of religion. (See note 6)
7. Children of other faiths whose membership is evidenced by a letter confirming membership of the faith from a religious leader. (See note 7)
8. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order:

- (i) Where evidence is provided at the time of application of an exceptional social, medical, or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made. (See note 10)
- (ii) The attendance of a sibling at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above. (See note 8)

- (iii) The children of staff (teaching or non-teaching, full and part-time, who have worked at St
- (iv) Cuthbert Mayne for at least two years at the time of application), who live at the same address as that member of staff. This includes stepchildren and children of partners, where the children live with the member of staff. (See note 9)
- (v) Pupils of St Rose's Infant School.

Multiple births

The admission authority, where possible, will go over the school's Published Admissions Number to admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

Tiebreak

Priority will be given to children living closest to the school determined by the shortest distance. Distances are measured using a computerised mapping system to two decimal places. The measurement is taken from the AddressBase Premium address point of the child's house to the address point of the school. AddressBase Premium data is a nationally recognised method of identifying the location of schools and individual residences. When there is a need for a tiebreaker where two different addresses measure the same distance from a school, in the case of a block of flats for example, the lower door number will be deemed nearest. If there are two identical addresses of separate applicants, the tiebreak will be random. Every child entered onto the HCC admissions database has an individual random number assigned between 1 and 1 million, against each preference school. When there is a need for a final tiebreak the random number is used to allocate the place, with the lowest number given priority.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round², parents/carers of children living in Hertfordshire must make an online application via the Hertfordshire County Council website www.hertfordshire.gov.uk/admissions or contact the Customer Service Centre on 0300 123 4043 for a paper application form. Parents should return the application form direct to the County Council. Parents/carers of children not living in Hertfordshire must make an application to their local authority.

You are also requested to complete the Supplementary Information Form (SIF) attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 5 to 7. The Supplementary Information Form should be returned to the Chair of Governors, c/o St Cuthbert Mayne Catholic Junior School, Clover Way, Hemel Hempstead, HP1 3EA by 15th January 2025.

All the published admission information, application form and supplementary form are available online at www.hertfordshire.gov.uk/admissions. The closing date for receipt of the application is the 15th January 2025.

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf.

If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

² This is for admission to the school at the start of the school year in September and not for applications made in-year.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child may not be placed in criteria 1 to 3 or 5 to 7, and this may affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2025.

Appeals

Parents wishing to appeal who applied through Hertfordshire's online system should log in to their online application and click on the link "register an appeal". Out of county residents and paper applicants should call the customer Service Centre on 0300 123 4043 to request their registration details and log into www.hertfordshire.gov.uk/schoolappeals and click on the link "log into the appeals system".

Late Applications

Late applications will be processed after all on-time applications have been received. Late applicants are less likely to be offered a school place and you are encouraged to ensure that your application is received on time.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to year 3 rather than year 4.

Any such request should be made in writing to the Chair of Governors, c/o St Cuthbert Mayne Catholic Junior School, Clover Way, Hemel Hempstead, HP1 3EA at the same time as the admission application is made. The admission authority will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the admission authority will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and **not** in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until 17th July 2025.

Looked after children, previously looked after children, children adopted from state care outside England and those allocated a place according to the Fair Access Protocol or an Education, Health & Care Plan, must take precedence over those on the waiting list, in accordance with the School's admissions criteria.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. Application should be made to the school by completing the In-year admissions application form and returning it to [the school office](#), St Cuthbert Mayne Junior School, Clover Way, Hemel Hempstead, HP1 3EA. The school's In-year admissions application form and details about making an application can be found on our website at <https://www.cuthbertmayne.herts.sch/In-Year-Admissions-form>.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing and, if unsuccessful you have the right of appeal to an independent appeal panel. The county council will provide you with registration details to enable you to login and appeal online at www.hertfordshire.gov/schoolappeals.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the admission authority is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol and before any child on the school's continuing interest list. The admission authority has this power, even when admitting the child would mean exceeding the Published Admission Number (PAN). Hertfordshire's Fair Access Protocol (FAP) is available on the website at <https://www.hertfordshire.gov.uk/fair-access>

The admission authority reserves the right to withdraw the offer of a place or, where a child is already attending the school, the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. A 'looked after child'

A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application to the school.

A 'previously looked after child' is a child who was looked after but ceased to be so because he or she was adopted or became subject to a child arrangements order³ or a special guardianship order⁴. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

³ Child arrangements orders are orders that settle the arrangements to be made as to the person with whom the child lives (Children and Families Act 2014).

⁴ A Special Guardianship Order is an order appointing one or more individuals to be a child's special guardian or guardians under S14A of the Children Act 1989.

To establish eligibility the admission authority may request appropriate evidence of the child's previously looked- after status. They may also request advice from their Virtual School Head (VSH), if they are in any doubt about the acceptability of evidence provided by a parent of an Internationally adopted previously looked after child (IAPLAC).

3. 'Catholic'

Catholic means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required.

This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

The admission authority may request additional supporting evidence if the written documents that are provided do not clarify the fact that the child was baptised or received into the Catholic Church, e.g. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest [who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church].

4. Catechumen and evidence of Catechumen

'Catechumen' means a member of the catechumenate of a Catholic Church. If an application is being made for a place at the school for a catechumen, evidence of their being a member of the catechumenate of a Catholic Church will be required. A certificate of reception into the order of catechumens should be provided.

5. Eastern Christian Church and evidence of membership

'Eastern Christian Church' includes Orthodox Churches, if an application is being made for a place at the school for a member of an Eastern Christian Church, including Orthodox Churches, evidence of membership will be required. A certificate of baptism or reception from the authorities of that Church should be provided.

6. Definition and evidence of membership of other Christian denominations

'Children of other Christian denominations' means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local

Churches Together Group (by whatever title) on the above basis.

If an application is being made for a place at the school as a member of another Christian denomination or another faith either a certificate of baptism or a letter confirming membership of that Christian denomination or faith and signed by the appropriate minister of religion or faith leader, will be required.

7. Definition of children of other faiths

'Children of other faiths' means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- a. A religion which involves belief in more than one God, and
- b. A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that Supreme Being through worship.

8. Definition of sibling includes:

- (i) all natural siblings, half siblings, adopted siblings, step siblings, foster siblings, whether or not they are living at the same address; and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

10. To demonstrate an exceptional social, medical, or pastoral need of the child which can be most appropriately met at this school, the admission authority will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.

11. The address provided must be the child's current permanent address at the time of application.

- At the time of application means the closing date for applications
- Permanent means that the child has lived at that address for at least a year.

Where a family has not lived at an address for a year, they must be able to demonstrate that they own the property or have a tenancy agreement and the child must be resident in the property at the time of application.

The application can only be processed using one address. If a child lives at more than one address (for example due to separation) the address used will be the one where the child lives for the majority of the time. If a child lives at two addresses equally, parents/carers should make a single joint application naming one address.

If a child's permanent residence is disputed, parents/carers should provide court documentation to evidence the address that should be used for admission allocation purposes. If two applications are received, with different addresses and/or different preferences, neither will be processed until the address issue is reconciled.

It is for a child's home Local Authority to determine address. If two applications, with different addresses are received from the same Local Authority, it will be for that Local Authority to determine the permanent address. If two applications are received from two different Local Authorities, the above process will be used.

If two applications are received for the same child from the same address, e.g. containing different preferences, parents/carers will be invited to submit a joint application or provide court documentation to evidence the preferences that should be used for the admission process. Until the preference issue is reconciled neither application will be processed.

For the transfer application rounds, if the initial differing applications (one or both) were received on time, an amended joint application will also be considered on-time if received before the late deadline. If the amended application joint application is received after the late date, it will be treated as late. The late deadlines for the 2025/26 transfer application process are 1st February for junior applications. If these dates change, amendments will be published on the admissions web pages at the start of the 2025/26 application process in September 2024.

In addition, for the purpose of In-Year Admissions, proof of the child's address will need to be provided with the In-Year Application Form. This should be two recent (within the last three months) forms of address evidence. One must be a council tax bill, utility bill, a solicitor's letter showing completion date or a signed tenancy agreement. If you are in the process of moving address please also provide proof of your new address including the move date. This can be a solicitor's letter or a copy of the formal lease agreement. Evidence that the previous lease agreement has ended or if selling your property that it is in the process of being sold or has been sold will also need to be provided. Addresses are checked and an offer will be withdrawn if address evidence is false.

Applications will not be processed without evidence of your address, please do not send original documents.

12. For the purposes of this policy, parish boundaries have been defined as follows and will be applied to the admission arrangements for 2025-26. If any parent or carer is uncertain of whether they fall into the combined parishes of Hemel East and Hemel West, or the parish of Our Lady Mother of the Saviour (Chipperfield) please contact the school.
